Allendale Farms is in Full Bloom

It is such a pleasure to have Allendale Farms right down the street from Springhouse. Our assisted living residents visited Allendale Farms in May and took advantage of the sights and smells the farm had to offer. Their flowers are in full bloom, and some found new homes in our resident's apartments as well as in our outside gardens! We have been working on our outside gardens and they're almost ready for you to come take a peek! If you have any plants or flowers to donate or are willing to help us plant, please contact Meredith at [mgriffiths@springhouseboston.org](mailto:mgriffiths@springhouseboston.org).
